12 Photography Project Ideas to Stretch Your Photography ...

With photography, however, we have the advantage of instantaneous results, and we therefore have more options to quickly develop ideas for our photographic subjects. One of the most popular ways to do this is to create a themed project.

30 Ideas to Jump-start Your Photo Theme Project - Photodoto

These photo projects are things Mr. Frost did to get his photographic juices flowing, so he decided to share them. The problem is, a lot of the projects he mentions aren't really projects. Shooting at first light, last light, in cloudy weather, etc, aren't so much projects as the basics of landscape photography.
