Sleeping Dogs 's difficult and prolonged development began in 2008. The game was announced in 2009 as part of the True Crimeseries but was cancelled by Activision Blizzard in 2011, as a result of the project's delays and budget issues. Six months later, Square Enix bought the publishing rights and renamed the game Sleeping Dogs, without the True Crime license, but considered aspiritual successor.

50 MB = 50,000 KB eBay typically compresses standard photos to about 30KB to 50KB. That means you could probably store about 1000 photos of that size. eBay creates multiple sizes for each photo, so if you choose to store your original uploaded version and to make supersize photos, those features could reduce the number of photos you can store.
