60th Annual Conference On Labor
About the Conference. Retaliation -- the fastest growing cause of action in U.S. employment law -- is the theme of New York University's 60th Annual Conference on Labor, May 31-June 1, 2007, the nation's premier forum for the consideration of workplace issues. Bringing together leading practitioners, government officials and academics, the NYU Conference offers a rare opportunity for sustained and balanced dialogue with the experts on the cutting-edge developments in this field.
