Industrious definition and meaning | Collins English ...

The Industrious Revolution is the title given to a period of time, usually given as between 1600 and 1800 that led up to the Industrial Revolution. It is a term first coined by the Japanese demographic historian Akira Hayami, and accepted by other historians to help further explain the advent of the Industrial Revolution. Much of this theory deals with the spending behaviours of families in the period. It also deals with the production and consumption of goods. In fact, Industrious Revolutions a

industrious - Dictionary Definition : Vocabulary.com

BE INDUSTRIOUS. 1. W ork is not always pleasant. But few are unhappier than those who lead a purposeless, idle and bored existence: children gloom to their mother when they have nothing to do; the low-mindedness of the unemployed, even when they are on "relief" 2 or the "dole" 3 is legendary; the retired man, with nothing further...
