~~Achieving Equal Employment Opportunities for People with ...~~

Equal opportunity is a state of fairness in which job applicants are treated similarly, unhampered by artificial barriers or prejudices or preferences, except when particular distinctions can be explicitly justified. The intent is that the important jobs in an organization should go to the people who are most qualified – persons most likely to perform ably in a given task – and not go to ...

~~Equal opportunity—Wikipedia~~

I congratulate EOPHEA for organising this discussion. Although, of course, your focus is primarily on employment in the university environment, the conference program is clearly designed to address equal opportunity issues of much more general significance. I have approached my own paper in the same spirit: I hope it will be particularly relevant in your own context as equity practitioners in ...
