The first adaptation of Charles Portis's novel starred John Wayne and while noted for its excellence as a film, it certainly toned down the violent imagery and brutality in the book. The Coen brothers pay homage to the book by retaining much of the story; framing it squarely in the eyes of the original narrator Mattie Ross and ending the film ...

Literary adaptation is the adapting of a literary source (e.g. a novel, short story, poem) to another genre or medium, such as a film, stage play, or video game.. It can also involve adapting the same literary work in the same genre or medium just for different purposes, e.g. to work with a smaller cast, in a smaller venue (or on the road), or for a different demographic group (such as ...
