### Origami Umbrella : That Open and Closes (new)

Origami is an art that doesn't require you to be an artist. To fold an origami crane, frog, butterfly, or even a ninja star you need just accuracy and patience. Our animated origami diagrams are not going to challenge your patience, however, because they are very easy to follow, even for a child. You don't have to remember a number of origami bases — each model starts from a plain piece ...
