~~Architecture and Interior Design: An Integrated History to ...~~  
Interior architecture is the design of a building or shelter from inside out, or the design of a new interior for a type of home that can be fixed. It can refer to the initial design and plan used for a building's interior, to that interior's later redesign made to accommodate a changed purpose, or to the significant revision of an original design for the adaptive reuse of the shell of the ...

## ~~Interior architecture—Wikipedia~~

As a graduate of the Bachelor Interior Architecture & Furniture Design you are a 'critical' designer with a talent for spatial organisation combined with a keen ability to materialise with great tactility and sensibility. You've sharpened your ability to analyse (how things are put together) and developed an affinity to make things tangible.

## ~~Difference Between Architect & Interior Designer~~

(Often architecture and interior design services bill a bit differently). If you think ahead it will be a better project that looks cohesive and wonderful. This post is part of the ArchiTALK series in which Bob Borson of Life of an Architect selects a theme, and a group of us (architects who also blog) all post on the same day and promote each other's blogs.

## ~~What is Interior Architecture and Design?~~

Interior design, planning and design of man-made spaces, a part of environmental design and closely related to architecture. Although the desire to create a pleasant environment is as old as civilization itself, the field of interior design is relatively new.. Since at least the middle of the 20th century, the term interior decorator has been so loosely applied as to be nearly meaningless, with ...
