In the case of the first category (sort of the "R-rated" sleaze books) the largest publishers were Beacon and Midwood. Beacon was the first regular paperback-sized book published by the Universal Publishing Company, which also issued such labels as Uni Books, Intimate, Royal Giant, Stallion and Fiesta.

BeeLine Reader makes reading on-screen easier, faster, and more enjoyable. We use a simple cognitive trick — an eye-guiding color gradient — to pull your eyes from one line to the next. This technique increases reading speed and enhances focus. In addition to winning awards from Stanford University and the United Nations, BeeLine's approach ...

I'm a little hesitant to post about this site because of the subject matter. However, I thought that the way the site was structured (i.e. an online library) might be of interest to some people. Background. The site archives erotic pulps (i.e. x-rated novels) from defunct publishers such as Greenleaf Classics, Liverpool Press and Beeline.
