The Andy Griffith Show (TV Series 1960–1968) - Full Cast ...

This “subvert the scientific process” prissiness is just hilarious. The only people who really care about the results already know, via their own professional rumour mills, pretty much what is going on.. The only other people in the world who care are people like me: amateur science enthusiasts, washed-out graduate students, and technically inclined bystanders of the type any academic ...
