**blaccent - Dictionary.com**

Black slang and AAVE (African-American Vernacular English) have long been considered inferior to so-called "standard" English, and the black people who use it seen as uneducated or unintelligent (forcing many to master the art of code-switching). So when suddenly words and phrases that have strong ties to the black community are adopted and warped by non-black people, it can cause some of us to feel indignant, even insulted.
