The book especially targets one of the most stubborn obstacles to realizing the integral vision: a disease of egocentrism and narcissism that Wilber calls "boomeritis" because it seems to plague the baby-boomer generation most of all.

Boomeritis: A Novel That Will Set You Free! eBook: Ken ...

It is convolutedly self-referential; a novel about a novel that is an endlessly long philosophical diatribe pretending to be a novel about a novel about... I've just read Ken Wilber's Boomeritis. It's all that.1. And it seems to be about me. I mean, me personally. The book diagnoses the psychology of a generation.

Boomeritis: A Novel That Will Set You Free! by Ken Wilber

Ken Wilber is the author of over twenty books. He is the founder of Integral Institute, a think-tank for studying integral theory and practice, with outreach through local and online communities such as Integral Education Network, Integral Training, and Integral Spiritual Center.

Boomeritis : a novel that will set you free | Longmont ...

Boomeritis: A Novel That Will Set You Free is a polemical 2002 novel by American philosopher Ken Wilber, principally designed to explain Wilber's integral theory and to explain his concept of "Boomeritis". Wilber characterizes this as the deadly combination of a modern liberal, egalitarian worldview with a deep unquestioned narcissism commonly held by Baby Boomers and their children.

Boomeritis - Wikipedia

Boomeritis A Novel That Will Set You Free (Book) : Wilber, Ken : Ken Wilber's latest book is a daring departure from his previous writings--a highly original work of fiction that combines brilliant scholarship with tongue-in-cheek storytelling to present the integral approach to human development that he expounded in more conventional terms in his recent A Theory of Everything.

Boomeritis (Book) | Central Arkansas Library System ...

About Boomeritis. Ken Wilber's latest book is a daring departure from his previous writings—a highly original work of fiction that combines brilliant scholarship with tongue-in-cheek storytelling to present the integral approach to human development that he expounded in more conventional terms in his recent *A Theory of Everything*.

Boomeritis: A Novel That Will Set You... book by Ken Wilber

"Boomeritis" is the "Great Postmodern Novel". It's about nothing but theory, filled with two-dimensional characters and silly, cruel dialogue, constantly self-references, interrupts all meaningful thoughts with lewdness, reduces all meaning to surface features and irony- and this is precisely what makes this novel so brilliant.

Boomeritis: A Novel That Will Set You Free!: Ken Wilber ...

Boomeritis represents a large majority of This work of "fiction" is really Ken Wilber's Integral philosophy about human consciousness. Boomeritis is a level of consciousness that reflects pluralism, anti-hierarchy, egalitarian, and narcissism.

Through the "Boomeritis" lectures he is attending, we see our boomer foibles and follow him to his conclusions about the nature of love, the future of computing, and our spiritual destiny. Boomeritis delivers on its promise: "A novel that will set you free."

Boomeritis: A Novel That Will Set You Free!: Amazon.co.uk ...

BOOMERITIS: A Novel That Will Set You Free. Wilber (*A Brief History of Everything*) shifts (sort of) from philosophy to fiction in this story about a young MIT grad student's journey to self-discovery, which is finally little more than a thinly veiled attempt to outline and promote a theory of consciousness.

Fiction Book Review: BOOMERITIS: A Novel That Will Set You ...

Thus, the more egalitarianism is implemented, the more it invites, indeed encourages, the Culture of Narcissism. And the Culture of Narcissism is the antithesis of the integral culture, the opposite of a world at peace.”
— Ken Wilber, *Boomeritis: A Novel That Will Set You Free*.
