Build for Change Quotes by Alan Trefler - Goodreads

Build for Change by Alan Trefler Posted on July 9, 2014 by Felipe (Phil)

DeGuzman In his latest book "Build for Change", PegaSystems CEO Alan Trefler shares his insights on the next wave of consumers in the marketplace and how they contribute to the "customerpocalypse" Trefler first described in his book of the same name.

Alan Trefler - Wikipedia

I agree with case for change that Alan lays out and the way to think about what's required of organizations, especially the need to design work (and organization structures, IT, and systems) from the customer's perspective. I'd like to hear a lot more about how organizations should build the software layer for customer interaction.
