~~Constitutional Law—BASICS OF CONSTITUTION~~

The indefiniteness of constitutional law is a function of many things, including: (1) a text that is the product of long gone eras, (2) a text that in many cases (e.g, "due process of law," "equal protection of the laws") was intentionally vague to accommodate the needs of a changing society, and (3) important (and often emotional) issues that tend to bring the values and politics of judges into play more than in other areas of law, where judges are more likely to think of their judging as an ...

~~Principles of Constitutional Law~~

Constitutional law is a body of law which defines the role, powers, and structure of different entities within a state, namely, the executive, the parliament or legislature, and the judiciary; as well as the basic rights of citizens and, in federal countries such as the United States and Canada, the relationship between the central government and state, provincial, or territorial governments.

~~Basic law—Wikipedia~~

Basic Principles. "... freedom of men under government is to have a standing rule to live by, common to every one of that society, and made by the legislative power erected in it. A liberty to follow my own will in all things where that rule prescribes not, not to be subject to the inconstant,...

- W R Lederman 'The Supreme Court of Canada and Basic Constitutional Amendment An Assessment of Reference Re Amendment of the Constitution of Canada (Nos 1, 2 and 3) (1982) 27 McGill LJ 527, 537-538. Critically discuss the importance of conventions for the UK constitution. 3.

~~What is Constitutional Law?—FindLaw~~

The term basic law is used in some places as an alternative to "constitution", implying it is a temporary but necessary measure without formal enactment of constitution. A basic law is either a codified constitution, or in countries with uncoded constitutions, a law given to have constitution powers and effect.

~~Basic Principles: Of constitutional analysis and design~~

The Constitution places power in the two houses of Congress and the judicial and executive branches. Laws passed in the United States must be shown to fall within the limits and privileges described by the Constitution.

~~Constitutional Law—LawyerEDU.org~~

Constitutional law is the area of political science that examines the text and substance of the United States Constitution and its development over the last 220 years. It governs the interpretation and implementation of the Constitution, as well as defining the scope of laws within its framework.

~~The Basis of Constitutional Law Overview | Constitution of...~~

When people talk about constitutional rights like freedom of speech or religion, they often refer to them as guarantees. But no rights are absolute. Government has the power to limit individuals' freedom under certain circumstances, like when they've committed a crime.

~~Constitutional Law Notes, Cases, and Past Papers ...~~

There are different basic principles of the constitutional law a police officer, but not always a probation officer must follow when conducting an ethical and legal search of a probationer's house. "All states grant probation and parole officers the power of arrest and search and seizure as those powers relate to the probationers and parolees under their supervision.

~~CONSTITUTIONAL LAW STUDY NOTES—LAW CSL2601—Unisa—StuDocu~~

constitutional law the law that determines the relationship of the citizen to the state and that controls the operation of the various branches of the state. Some examples are now discussed. In the UK there is no single fundamental document in which the constitutional law can be found. The law is found in certain important Acts of Parliament (like the Acts of Union), in the law and custom of Parliament and in conventions.

~~Introduction to the Study of Constitutional Law~~

Constitutional Law 101: simple basics that every citizen should know. How you analyze a particular issue and how you arrive at your conclusion is more important than the issue itself. Modern liberals allow the ends to justify the means when they are interpreting the Constitution.
