the specification documentation that serves as the backbone of your entire digital project.

2017 Standard Specifications - Mississippi

As allowed under RCW 39.10.420-460, job order contracting (JOC) is an alternative to the traditional design-bid-build public works contracting process where the City designs the project and posts plans and specifications for public bid. Instead, using JOC, the City may issue work orders directly to a JOC prime contractor for construction projects not exceeding \$350,000.
