Corporate Finance, by Ross, Westerfield, Jaffe, and Jordan emphasizes the modern fundamentals of the theory of finance, while providing contemporary examples to make the theory come to life. The authors aim to present corporate finance as the working of a small number of integrated and powerful intuitions, rather than a collection of unrelated topics.

Home - Online library download Solution Manual and Test Bank Ross, Essentials of Corporate Finance, 10e, focuses on what undergraduate students with widely varying backgrounds and interests need to carry away from a core course in business or corporate finance. The goal is to convey the most important concepts and principles at a level that is approachable for the widest possible audience.
