Critical Multimodal Studies of Popular Discourse | Request PDF

Part 2 addresses key issues in contemporary popular culture and has five chapters. Consistent with its sociocultural nature, the critical multimodal studies in the present volume address concerns of contemporary society, thus contributing to strengthening the close connection between functional linguistics and society.

Critical multimodal studies of popular culture - CORE

Using Multimodal Critical Discourse Studies (MCDS), this book reveals the deeply political role played by popular music. Lyndon Way demonstrates how MCDS can provide important and timely insights on the political nature of popular music, due to its focus on how communication takes place, as well as its interest in discourse and how ideologies are naturalised and legitimised.

Search Tips. Phrase Searching You can use double quotes to search for a series of words in a particular order. For example, "World war II" (with quotes) will give more precise results than World war II (without quotes). Wildcard Searching If you want to search for multiple variations of a word, you can substitute a special symbol (called a "wildcard") for one or more letters.
