Marrying Local Lassies Keeps DNA Strong . The new study published by researchers from the University of Edinburgh's Usher Institute and MRC Human Genetics unit presents the first comprehensive genetic map of Scottish people's DNA showing that modern folk have genetic links with 'ancient kingdoms', by living in the same areas as their 1000 year old progenitors.

Who are the Picts? Scotlands DNA finds an answer ...

Further developing the revolutionary work of Zecharia Sitchin, Chris Hardy shows that the "gods" of ancient myth, visitors from the planet Nibiru, created us using their own "divine" DNA--first through DNA extraction from their own ribs' marrow and later by direct relations with early human females.

DNA of the Gods | Book by Chris H. Hardy | Official ...

Some of the Gods decided to created a new race using their own genes mixed with the genes of the simians. The Gods knew about DNA and how to genetically alter things. Eventually they created some new beings that were half God and half simian beings, modern humans were born. They liked their new creation so much, they decided to take them as wives.

Ancient Origins | DNAexplained – Genetic Genealogy

HISTORY OF THE FRISIAN FOLK Part One - (1750 B.C. - 785 A.D.) Origins of the Frisians (1750 B.C. - 700 B.C.) Gold bracelet with runes (fozo gruoba), 750 A.D. found in Hitsum (Fryslân). The origins of the Frisians lie in an area that roughly covers South Scandinavia, Denmark and the Weser/Oder region. In the period between 1750 and 700 B.C. they were still part of a larger group of peoples ...

DNA of the Gods: The Anunnaki Creation of Eve and the ...

The more we learn about the origin of life in our universe, the more reasonable the case for God's existence. The building blocks of life (proteins, ribosomes, enzymes etc.) are formed at the direction of specific nucleotide sequencing in DNA, the largest molecule known. In humans, DNA contains as many as 10 billion atoms.

What Is "Spiritual DNA"? | thebereancall.org

Building on this ground-breaking research Dr. Eran Elhaik and his genetic team continued to develop GPS Origins test that not only improved their original test but also overcame the limitations of other ancestry tests using a novel ancestral bio-tracking technique that pinpoint specific places where the DNA signature was formed for two parental lineages and then creates a personalized reconstruction of the familial genetic history.

Dna Of The Gods Origins

DNA of the Gods is an Anthropologist examination of human intelligence. Archeology indicates a deep antiquity to human intelligence. What are the OoPArts (Out of place artifacts.)? Find the discovery of the speech gene locus, and the deep roots never mixing with the apes in the human genome.

Modern Scots Share DNA With Dark Age Picts | Ancient Origins

The God gene hypothesis proposes that human spirituality is influenced by heredity and that a specific gene, called vesicular monoamine transporter 2 (VMAT2), predisposes humans towards spiritual or mystic experiences. The idea has been proposed by geneticist Dean Hamer in the 2004 book called The God Gene: How Faith is Hardwired into our Genes.

By analyzing the DNA of an Inca boy sacrificed to the gods more than 500 years ago, researchers have found evidence of the genetic diversity that predated the Spanish conquest.

God gene - Wikipedia

The storyline is set: your new God DNA is looking to rule and your old Adamic DNA is looking for ways to hold its' ground. We can actually be thankful for this conflict, as it verifies in a way, that we truly are pilgrims and strangers on this earth, citizens now of another world.

DNA From Inca Child Mummy Reveals Early Genetic ... - HISTORY

...we are created in the image and likeness of God suggesting that we too are light...DNA has two aspects to it. One is the physical DNA which the body we use is equipped with through the heredity of our parents. The other is what the Buddhists suggest is a spiritual DNA....That is why I have such strong feelings against executing people.

Oldest Human DNA Reveals Mysterious Branch of Humanity ...

DNA results connected to the tree is the foundation for the new Phased Family Matching. The new Ancient Origins feature, released in November, was developed collaboratively with Dr. Michael Hammer at the University of Arizona Hammer Lab.

Why the Information in Our DNA Points to the Existence of God

Tellingler shows that, as humanity awakens to the truth about our origins, we can overcome our programmed animalistic and slave-like nature, tap in to our dormant Anunnaki DNA, and realize the longevity and intelligence of our creators as well as learn the difference between the gods of myth and the true loving God of our universe.
