### Political Systems in Central and Eastern Europe and ...

History of Europe - History of Europe - European society and culture since 1914: "If it works, it's obsolete." First reported in or about 1950, the saying neatly expressed that period's sense of the headlong speed at which technology was changing. But equally rapid change is the hallmark of many aspects of life since 1914, and nowhere has it been more apparent than in Europe ...

### Politics of Europe - Wikipedia

History of Europe - History of Europe - Political and cultural influences on the economy: The centralized state of the early modern age exerted a decisive influence on the development of financial institutions and in other economic sectors as well. To maintain its power both within its borders and within the international system, the state supported a large royal or princely court, a ...
