Published posthumously in the early 1920's, Max Weber's Economy and Society has since become recognized as one of the greatest sociological treatises of the 20th century, as well as a foundational text of the modern sociological imagination. The first strictly empirical comparison of social structures and normative orders conducted in world-historical depth, this two volume set of Economy and ...

consciously for their own benefit.

~~Economy and Society: An Outline of Interpretive Sociology ...~~

Economy and Society is a book by political economist and sociologist Max Weber, published posthumously in Germany in 1921 by his wife Marianne. Alongside The Protestant Ethic and the Spirit of Capitalism, it is considered to be one of Weber's most important works. Extremely broad in scope, the book covers numerous themes including religion, economics, politics, public administration, and sociology. A complete translation of the work was not published in English until 1968. In 1998, the Internati
