After you have changed settings you will need to reset the unit, the option to do this is on the 2nd page of the 1st menu shown after entering engineering mode. In the 1st menu you see after entering engineering mode, you can also then hold down Hang-up, 4 and # for a few seconds to find some additional menus. Again, be very very careful, 26.

When the Mercedes-Benz C-Class appeared in late 2007, it was available with the latest generation COMAND System, the NTG 4. It was a marvel of electronics and engineering. In fact, the COMAND NTG 4 has a more powerful processor and more memory than all of the computers used to put Apollo 11 on the moon.
