Resources on campaign ethics. Why are campaign ethics important? The ethical principles that apply generally to public life-rules about conflicts of interest, access to government, integrity, etc.-also apply to campaigns for political office. Why, then, treat campaign ethics as a separate topic?

What are Social Ethics? (with pictures)

Social ethics are not supposed to be a detailed list of rules to be applied in any given situation. They are meant to act as a guide by setting the ground rules for what society deems acceptable. The welfare of society as a whole is put ahead of the interests of any individual, and this helps to ensure that everyone is kept accountable by each other.
