Fundamentals Of Thermodynamics 6th Edition

This book was used for my Fundamentals of Thermodynamics class, which was one of a handful of electives I had to choose from to get my EE degree. We used the 8th edition in class, but aside from the homework problems, the 6th edition had all the same explanatory material and tables, and I was able to get a used copy for \$25 as opposed to a new copy of the 8th for over \$200.
