## Future Seekers II | Irwin Law

Asylum seekers are those that are in the process of applying for refugee status in another country. Figure 1 shows the number of asylum applications lodged in 38 'industrialized' countries (an annual flow rather than a stock), which is a much smaller number (right scale). These are composed overwhelmingly of applicants who have reached a destination country by independent means and then ...

### Issues affecting the asylum seekers and refugees in UK ...

The horrors of the holocaust as well as the enormity of Europe's post-World War II refugee crisis led to a decade of intense experimentation in search of an international refugee protection system. In 1951, the United Nations approved the Convention Relating to the Status of Refugees that defines who is a refugee, delineates the rights of refugees, and the responsibilities of the nations that grant asylum .
