If any of that up there sounded exciting to you, or if you happen to be a fan of the American War for Independence, then George Washington, Spymaster is the book for you! Most books about the American Revolution focus on the philosophical causes for the war, or the politically charged atmosphere which surrounded its necessity.

~~George Washington Spymaster How The~~
George Washington, Spymaster: We think of George Washington as a planter, surveyor, general and president. Seldom do we think of him as a spymaster. Yet in the Revolutionary War, he recruited spies, taught them code and supervised their efforts. At times during the war, spies were as important as or almost as
