In this post, you will find our shared  
GRADE 2 LEARNER'S MATERIALS  
(LM'S). We are completing all the Grade 2  
LM'S and make it available to our fellow  
GRADE 2 K-12 teachers and help them  
complete their files so that their efforts  
and time will be used in preparing  
instructional aids for the actual teaching-  
learning process inside the classroom.

GRADE 2: Materials 1 Properties of materials About this unit This unit is the first of four units on materials for Grade 2. The unit is designed to guide your planning and teaching of lessons on materials. It provides a link between the standards for science and your lesson plans. The teaching and learning activities should help you to plan the content and pace of lessons. Adapt the ideas to meet the needs of your class. For extension activities, look at the scheme of work for Grade 2.
