A blazingly passionate memoir of identity and love: when a charismatic and troubled young woman dies tragically, her identical twin must struggle to survive. Christa Parravani and her identical twin,

Access Free Her A Memoir Christa Parravani

Cara, were linked by a bond that went beyond siblinghood, beyond sisterhood, beyond friendship.

~~Her A Memoir Christa Parravani~~

“The courage it must have taken Christa Parravani to write the memoir Her took my breath away. Not only did she confront, headfirst and with clear eyes, the story of her

Access Free Her A Memoir Christa Parravani

identical twin's brutal rape and subsequent death spiral, but she had to, in essence, swallow her twin in order to summon the exquisite writer lying dormant within herself.

The book is mostly

Access Free Her A Memoir Christa Parravani

comprised of Christa's memories of her life with her sister. Christa says that it's hard to tell if her memories are true without Cara; that she is "the sole historian left to record [their] lives." Think back on the memories you have of growing up. How do we distinguish truth from mere memories?

“The Tincture of Time is just the kind of memoir this world desperately needs. In precise and powerful language, Elizabeth Silver uses her deeply singular experience to shed light on universal issues of wellness, health, the body, healing, and trust.

inseparable images of one another. They stare out from the cover of Her, Christa Parravani's haunting new memoir, Cara looking down and Christa looking grimly into the camera. Cara died in 2006, not long after the photo was taken, a brutal rape having driven her to depression and a spiraling drug addiction.
