2006 Holden Viva specifications, fuel economy, emissions ...

I have a Holden Viva station wagon, built in 2007, bought it with 60.000 km . Bought the car from a Holden dealer in New Zealand and since the first day I had problems with it. First it was the engine warning light which just stayed on and the engine had no power and would not drive. They fixed it at the dealers garage, saying it still had the ...

Acces PDF Holden Viva 1 8 2007 Workshop Manual

2007 Holden Viva JF 1.8 sedan from Australia and New Zealand. Summary: I'm very disappointed as I've only had it for 2 years from a car yard for \$6500. Faults: The engine light stays on. Both upper headlights blew (now replaced). Hard-shifting thump in R and D. Very loud revving when the car starts.
