realistic, often subtle dialogue with unique voices. My only criticism is the ending, it wasn't awful, but I would have liked more in an epilogue.

## ~~How to Build a House Step by Step—Build Your Own House~~

When you build your own house it's typical to take up to one year to complete. There are quite a few steps to take, and each step in the process can be time consuming on its own. When you add the time needed for each step, you'll conclude that the process is not a quick one.

## ~~How to Build A Custom Home: A Step by Step Guide for ...~~

One reason for this consistency is a set of uniform building codes that apply across the country. Another reason is cost -- the techniques used to build homes produce reliable housing quickly at a low cost (relatively speaking). If you ever watch any house being built, you will find that it goes through the following steps:
