Study and Reference Guide - Transport Canada

Looking at the IATRA Study and Reference Guide, I noticed under Air Law that its pretty random. For example, there is a few 604 topics, then a few select 703/704/705 Questions is, are these the only topics asked on the test or will they ask for items/topics not listed in the guide?

Courses | Confederation College

It outlines all areas that may be tested, with CARs references. The Aerocourse books are good study guides for the SAMRA and SARON, but just for the IATRA many folks are fine just using the TC references. (Two of my friends wrote last minute with only a day or two notice/study time and passed.)
