IICRC S520 Standard Reference Guide

ANSI/IICRC S520-2015 Standard and IICRC R520 Reference Guide is published as two separate documents: the standard itself and a supplementary reference guide. The procedural standard is supported by the reference guide. The intent is to use the principles outlined in the reference guide as a tool to better understand and apply the standard itself. However, the reference guide is not considered part of this standard. The S520 Consensus Body Chair is Jim Pearson and Vice Chair is Scott Armour.
