Just Say Yes - Chapter 1 - WeWillSpockYou - Star Trek ...

It can be easy for people who aren't CEOs of multi-million pound companies to say "well yes, if I was chauffeured to work like Tim Armstrong of AOL I'd also be more productive and be able to wake up early with no stress". But there are plenty of people who do set their alarms early and who try to seize the day. Some are just early risers.

Just say Yes : Exo's reaction when they wake up in the ...  
"Just Say Yes" by Ken Andrews was featured on the Surf's Up movie and soundtrack.

Just Say Yes - when2packup

Why Just Say YES At Just Say YES, our philosophy is, "A connected student is a protected student." "Just say yes." This was a phrase said to me by Becky Cook, professional traveler and co-owner of Vagabond Ventures Travel, the adventure agency that gave me the trip of a lifetime. As simple as it is and as many times as I've heard that three-word sentence in my life, it wasn't until this trip that it really resonated.
