For the Love of Data: Science, Protest, and Power at Love ...
Thirty years ago the Love Canal Homeowners Association challenged big government and big business, and ultimately won relocation. This book takes readers behind the headlines to examine how race, class, and gender influenced the way people-from African American women to middle class white Christian groups-experienced the crisis and became active at Love Canal.

The 1970s - OU Exploring U.S. History
Elizabeth D. Blum's Love Canal Revisited: Race, Class, and Gender in Environmental Activism, offered an even wider perspective, emphasizing how gender, race, and class shaped the environmental movement. In her section about gender, Blum demonstrated how Love Canal mothers used the confines of their restrictive gender roles to work

Love Canal Revisited - University Press of Kansas
Love Canal Revisited utilizes a "snapshot" method to interrogate the rhetoric of "representative facets of the Love Canal saga" (3). In this spare, but original, approach to understanding a contentious environmental episode, Blum has three purposes: to expose how the activism of the Love Canal area residents empowered "marginalized populations"—women, African Americans, and the working class ...

Love Canal Revisited: Race, Class, and Gender in ...
Love Canal Revisited tells of a signature moment in the history of American environmentalism: the crisis over chemical pollution for the residents of Love Canal, a neighborhood in Niagara Falls, New York, in the late 1970s and early 1980s. The short story of this community is well known: residents of this lower-middle-class community discovered ...
