"March of the Titans" is
an extremely useful
reference, especially
because it helps
correct, reorient and
improve upon the way
many of us understand
our history.

March of the Titans
(book) | *The West's
Darkest Hour*

Kemp has written and self-published several books including *March of the Titans: A History of the White Race*, which says that race—understood in biological terms—is the driving engine in history.
