My Voice Will Go With You Chapter Headings

The late Milton Erickson was a bit of a guru in the field of hypnotherapy; his technique involved putting people ""under,"" and then telling them slightly quizzical tales that would alter their attitudes—on both a conscious and unconscious level—toward a particular problem. This, then, is a compilation of the stories themselves; and as longtime devotee Rosen himself notes, something is ...

My Voice Will Go With You is easy to understand and digest the messages of the story. Each chapter starts out with a brief explanation of the topic and then there are different stories that Erickson used with his patients. There were many instances where I had to really ponder the meaning of the story, re-read the story, and think deeply about it.
