Neurology: PreTest Self-Assessment and Review, 7th ed. Hamid Sadeghian, MD, Reviewer. ... This is the seventh edition of a self-assessment book in neurology. The first edition was published in 1992. This book is primarily directed at medical students and house officers. However, general practitioners and junior neurology residents could also ...

Neurology Pretest Self-Assessment and Review by David J ...

Neurology: PreTest® Self-Assessment and Review, Fifth Edition, is intended to provide medical students, house officers, and physicians with a convenient tool for assessing and improving their knowledge of neurology.

Neurology PreTest, Ninth Edition: 9781259586910: Medicine ...

Overall, Pre-Test Neurology works well as an active study tool in a sea of middling study resources. I wouldn't praise it as ideal for self-testing, but it's useful to use either alone or with a review book as you go through your clerkship. Fits in your white coat and more fun to read than a text/review chapter.
