Excerpts from "Never Be Lied to Again"

In an ideal society there would be no need for lies. But we live in a world of deception. And whether you want to play or not, you're in the game. The question is, do you want to win? Once you realize that you're being lied to, should you confront the liar immediately?

Never Be Lied To Again goes through all the different ways of lying, how to determine if someone is lying, how to get to them to tell the truth, and other strategies you could ever want to know. It helps determine body language, I won't quite call this quackery, but I'm pretty dubious as to the actual uses of this book.
