### *Nursing Assistant Ltc Resource*

Nursing assistants play an important role in basic patient/resident care activities in hospitals, nursing homes, and other healthcare settings, including home healthcare. If you're a good communicator, compassionate, and interested in caring for people, becoming a nursing assistant may be a rewarding career choice for you.

### *Long-term Care Facilities | CDC*

Detecting and promptly reporting changes in a nursing home resident's condition are critical for ensuring the resident's well-being and safety. Such changes may represent a patient safety problem, and they can be a signal that the resident is at increased risk for falling and other complications. Training nursing home staff—particularly nursing staff—to be on the lookout for changes in a ...
