Welcome to the Medi-Cal Dental Program (Denti-Cal)

The national network of Delta Dental companies protects more smiles than any other insurance company. If you are shopping for individual dental insurance, have individual dental insurance or have general questions, enter the state you live in.

Ortho Technology | Orthodontic Supplies and Appliances

As an orthodontic technician, you design and construct orthodontic appliances used to straighten teeth. Most orthodontic technicians work in laboratories, rather than directly with clients. The job often entails using a mold of a client's teeth to create whichever orthodontic appliance is requested by the orthodontist.
