Calaméo - Project 5 test

For this year, I have been completely satisfied with this Oxford edition. Children like it, but again if you ask teenagers they will just frown and say that everything is boring, while 5th graders are still new with the whole concept - every subject new teacher, which they didn't have so far. 6th graders are mostly eager to learn everything, and that age group is the most enjoyable age to ...

Project 3th Edition | The English Book

Project third edition encourages students to enjoy the process of learning, through updated content and a wealth of materials. It motivates students with engaging texts, topics, and activities across all five levels. The logical structure and clear approach provide a solid base for learning, as the course presents real language in real contexts.
