Antimafia Pool - Wikipedia

The Sack of Palermo is the popular term for the construction boom from the 1950s through the mid-1980s that led to the destruction of the green belt and villas that gave Palermo, Italy, architectural grace, to make way for characterless and shoddily constructed apartment blocks.In the meantime Palermo’s historical centre, severely damaged by Allied bombing raids in 1943, was allowed to crumble.

Reversible destiny: Mafia, antimafia, and the struggle for ...

Reversible Destiny sets Palermo's recent past in historical perspective, but concentrates on the twining of urban transformation, mafia activity, and a perilous, partly successful campaign against Sicily's powerful mafiosi. In contrast to the position that they and other scholars (including me) took thirty years ago, the Schneiders now argue ...

Reversible Destiny is about the Sicilian mafia, and about the antimafia struggle in Palermo that radically unsettled the cold war social consensus, refiguring political parties and politics generally in Italy. It is the product of fieldwork in Italy spanning three decades, two in Palermo—fieldwork that has involved nearly yearly visits of various duration.
