Rice as Self: Japanese Identities through Time by Emiko ...

In this engaging account of the crucial significance rice has for the Japanese, "Rice as Self" examines how people use the metaphor of a principal food in conceptualizing themselves in relation to other peoples.

Rice As Self Japanese Identities

However, 'Rice as Self' is not about America's dangerous delusions about rice. It is about Japanese attitudes toward the grain, and it turns out they are in some ways deluded as well, though harmlessly so.

In this engaging account of the crucial significance rice has for the Japanese, Rice as Self examines how people use the metaphor of a principal food in conceptualizing themselves in relation to other peoples. Emiko Ohnuki-Tierney traces the changing contours that the Japanese notion of the self has taken as different historical Others — whether Chinese or Westerner — have emerged, and shows how rice and rice paddies have served as the vehicle for this deliberation.

Rice as Self: Japanese Identities Throughout Time Review ...

Through historical processes rice and rice paddies have come to represent the collective self of a social group within Japanese society from the smallest unit, of a family, to Japan as a whole. The collective self of the Japanese has undergone historical changes, changes that are almost always intimately related to historical developments outside of Japan.
