Root Eye Dictionary: A "Layman's Explanation" of the eye ...

The term "laity" has a similar origin as layman, deriving from the Middle English "laite", which in turn derives from the French word of the same spelling. The French word "laite" comes from the Latin "laicus", and finally from the Greek "laikos", meaning "of the people" or "common" ("laos" meaning "people").

Layman | Definition of Layman by Merriam-Webster

Layman definition, a person who is not a member of the clergy; one of the laity. See more.

Amazon.com: Customer reviews: Root Eye Dictionary: A ...

Greetings and welcome to the Root Eye Dictionary. Inside these pages you will find an alphabetical listing of common eye diseases and visual problems I treat on a day-to-day basis. Ophthalmology is a field riddled with confusing concepts and nomenclature, so I figured a layman's dictionary might help you "decode" the medical jargon.
