### **Aconex Smart Manuals - "Handover on time, not some time"**

Aconex Smart Manuals helps contractors to organize deliverables and owners to easily access and update records. Aconex today launched Aconex Smart Manuals, a suite of products that promises to ease a burden faced by every contractor: collecting, organizing, and handing over deliverables at the end of a construction or engineering project. Owners themselves can use Aconex Smart Manuals to maintain that documentation over the operating life of the built asset.

### **Construction Project Management Software | Aconex**

You receive two read-only copies of the full set of digital O&M manuals. If you've bought Dynamic Manuals, you'll also receive an updateable copy of the manuals. Extra copies of the manuals can be purchased if you need them.
