The American Worker was indeed sold out by everyone. And it is "follow the money" with its greed, self-interest, corruption, along with lies, deceit and fraud. Officials make law for open border expansionists, all in the name of cheap labor, for campaign cash, both parties. It is like watching a snuff movie with a slow death, and just as sickening.

For too long, open-borders tech billionaires and their political enablers have escaped tough public scrutiny of their means and motives. Sold Out is an indictment of not only political corruption in Washington, but also the journalistic malpractice that enables it. It's time to trade the whitewash for solvent.
