as part of its Xinjiang  
and Tibet autonomous  
regions (mostly as part  
of Hotan County, Hotan  
Prefecture in Xinjiang),  
and constituting the  
eastern portion of the  
larger Kashmir region  
which has been the  
subject of a dispute  
between India and  
China since 1962.

The American

South

Crossings began in 1986, we saw the dramatic landscapes of Australia, New Zealand and the islands of the South Pacific as the perfect canvas to create personally designed luxury travel, catering to the most discerning travellers - an entirely new concept at the time.

geography professor

Dr. David Zurick began

a decade-long series of

journeys throughout

the American South,

hoping to learn why

the region is seen by

outsiders as a land

“apart from the rest of

America” but by

insiders as a place

“losing its identity.”

The result of his quest

is “Southern Crossings:

Where Geography and

Photography Meet.”

The book
