So you want the surviving spouse to have the biggest possible benefit. Here's how: Whichever spouse is the higher earner (and thus eligible for a bigger Social Security benefit) should delay taking Social Security at least until their Full Retirement Age (FRA), which is between age 66 and 67, depending on

Your nine-digit Social Security number is your first and continuous link with Social Security. That's why when you have a baby, one of the first things on your "to do" list, besides picking a name, should be to get your newborn a Social Security number. Then, you can take the time to learn about the protections we offer your child from ...
