9780205395095: Statistics Without Tears: A Primer for Non ...

DON'T PANIC! Douglas Adams' The Hitchhiker's Guide to the Galaxy bore a "large, friendly label" with those words, and that's also my message to you. I don't see any reason for students to be afraid of statistics. It's no more difficult than any other technical course, and it's much more practical than other math courses. The mathematical details are here for those who want ...
