Is The Stoeger Condor The Best Over And Under Shotgun ...

Most reviews take a gun out of the box, take a few pictures, shoot maybe 25 or 50 rounds out of it and then write it up. I could have done the same thing last year when I bought the Stoeger Condor with 12 and 20 gauge barrel set, but I decided to put several thousand rounds through it so we could see how it held up.. Deciding to Buy a New Shotgun

Stoeger Condor Competition Owners Manual

I took my Stoeger Condor O/U 12 gauge dove hunting this evening. Got a few shots on some doves. Two separate times though when I fired, the bottom barrel would fire no problem, but when I tried to fire the second (the upper) barrel, nothing happened. I don't know if my thumb accidently hit the safety button and caused the safety to engage, or the recoil of the gun caused the safety to jar into ...

Stoeger Parts

The Condor may look like your grandfather's over/under, but they are anything but. From their high-grade satin walnut finish to their excellently balanced build, these are state-of-the-art firearms. These Stoeger double-barreled shotguns feature some of the industry's sturdiest and reliable components.

Stoeger Condor owners, have you experienced?...

For reliability at a price you'll love, experts and novices agree on Stoeger. These hardworking guns are all about action and value.
