barlow abnormal psychology Flashcards and Study Sets | Quizlet

This study guide has multiple errors in its content, such as when it describes afferent and efferent neurons. In addition, its multiple choice questions are not only convoluted and confusing, but some of them, too, are downright wrong, including questions about, again, afferent and efferent neurons.

Study Guide For Psychology Seventh

This guide did not prove to be that useful. Starting in the prologue section, there was at least 1 question that I could not answer because the answer the quide was seeking was not in the book. Fortunately, the guide gives you the answers but if you can't answer the questions by reading the book, what good is the study guide.
